 LIGHTFAST!**

Chroma's A>2 Lightfast Acrylic offers professionals and beginners a great artists' quality paint at low student prices. A>2 has always had an incredibly high pigment load and a rich buttery consistency but now that it is lightfast too there is simply no better combination of quality and value available.

- Artists' quality lightfast pigments
- Very high pigment load for intense colour brilliance and clarity
- Thick, buttery consistency retains brush marks and covers well
- Full range of colors for easy mixing
- Compatible with Atelier artists' mediums and varnishes
- Dries to a low gloss finish to enhance any artwork
